PRINCIPAL’S MESSAGE
There is growing excitement from our students, teachers and families as our 125 anniversary celebrations get closer. The celebrations will start with an assembly under the COLA from 9:30am until 11am. You will be treated to performances from our Dance group, choir and Arabic Dancers. There will also be a performance from the Granville South Creative Arts High School band and speeches from past students and principals.

At 11am until 11:30am bring along a rug and enjoy a picnic with your family on the school grounds. There will be food stalls operating selling kefta wraps, sausage sizzle and a multicultural vegetarian dish. You might also like to relax at our coffee shop and grab yourself a slice of cake!

Following the picnic, we will open the fete from 11:30am-2:30pm. There will be amusement rides, 2 free jumping castles, a petting zoo, face painting, craft activities, a side show alley, show bags and plenty more. There will be visits from the care flight helicopter, local police and firefighters, NRL Parramatta Eels and AFL clinics and even a visit from the library Read-a-saurus!

It is not every day that a school turns 125 so we are going to do it in style! Please support the day and bring your family and friends to help us celebrate.
Do you have a child that is starting kindergarten in 2015?

It is now time to enrol students! Your child can start Kindergarten at the beginning of the school year if they turn five on or before 31 July in that year. By law, all children must be enrolled in school by their sixth birthday. We are running a transition to school program starting on Tuesday 26th August. Don’t miss out!

Why is Transition Important?
Evidence suggests that children who have a positive start to school are likely to engage well and to experience academic and social success. Transition to School may be a child's first experience of social interaction with others outside their immediate or extended family. Children’s perceptions of themselves as learners, and as someone who belongs at school, are often formed early in their schooling. A Transition to School program can assist in achieving a positive start to school.

Warm wishes,

Ms Nicole Wade
